

Teramont

Seats 7 Thrills everyone

A full life is just that: full. Kids, sports gear, camping equipment, and more.

Enter the all new Teramont – the biggest, newest Volkswagen on the block. Seats 7 comfortably in 3 rows, connects everyone with state-of-the-art tech, and goes virtually anywhere, with performance-enhancing features like 4Motion®. All dressed in a level of refinement that's truly exceptional among SUVs. And all exceptionally well priced. Accommodating. Nimble. Polished. Like having your own family concierge. Without having to tip.

Versatility

A chameleon on wheels, the Teramont is ever-changing – just like your life. Mix it up, load it up, and get fired up for serious family fun.

Technology

Welcome to the big picture of Volkswagen's SUV sensibilities. Step into the high-tech environment with the 12 speaker Fender audio system, 8 inch navigation HD touchscreen and App Connect.

Design & Comfort

Big and comfortable come together beautifully in this spacious 7 seater. Seventeen cupholders and easy 3rd row access promise to come in handy for those emergency family outings and picnics that happen so often on the go.

Safety

What's better than an SUV that can do everything? One that's ready for virtually anything. With a multitude of driver and passenger protection features built right in, you can focus on fun knowing Teramont takes your family's safety seriously.

Performance

The bigger you are, the slower you move? Not here. True to its name, the Teramont has plenty of brawn.

Spreading out needn't be a stretch **But you can do that too**

From legroom to 3rd row access, the Teramont changes up to handle it all, and all in a jiffy.

Because when you don't have to leave anyone – or anything – behind, you're free to enjoy the adventures that lie ahead.

3-row, 7-passenger seating

In the Teramont, comfort and versatility never take a back seat. Unless you count the adult-sized 3rd row seating – accessible without removing child seats.

Fold-flat cargo space

Is it a refined family-friendly SUV, or a load-it-to-the-max pickup? With 2nd and 3rd row seating that folds completely flat, the answer is a resounding “yes”.

Easy 3rd row access

Getting into the 3rd row is so easy, you can do it with one hand. Just fold the 2nd row forward with a pull and a push.

Optional 2nd row captain's chairs

Go from seating for 7 to 6, and gain a world of customizable comfort, with available 2nd row captain's chairs. Passengers can adjust the backrest, armrest, and legroom any way they like it.

Getting ahead is all about connections

Everywhere you go in the Teramont, you're connected.

From business to pleasure and back again, plug in to a world of entertainment, convenience, and safety. It's all part of a full complement of electronic innovation to help you experience the magic in every adventure.

App-Connect*

Plug in your compatible smartphone with Apple CarPlay™, Android Auto™ or MirrorLink® to access apps with the dashscreen or voice commands to search, play music, navigate, or send and receive text messages – hands-free.

Discover Media Navigation System

Technology has an advanced touch. The updated navigation system boasts a large, sleek 8 inch HD touchscreen display that offers voice control, proximity sensors, and multiple compatible phone - pairing capabilities.

Personalization: 4 driver profiles

Start up your Teramont and it'll welcome you by name, activating your mirror positions, climate controls, favourite radio station and more. Multiple drivers? Store up to 3 driver preferences, plus a guest – all custom - tailored to suit their unique needs.

*Do not drive while distracted. Drivers must pay full attention to the road and safe driving at all times.

Looks as good as it feels

With the Teramont, brawn and beauty coexist in a perfect marriage.

Big and bold, it's also beautifully designed with purpose. Well balanced, comfortable, no complicated corners. Substantial, solid and firm, but not too aggressive. A vehicle that delivers on the promise of power and freedom – your home away from home.

17 cup holders

Coffee or tea? Why not both? Conveniently equipped with seventeen different cupholders, you can be sure there's always space for everyone's drink.

10-way power adjustable driver seat

Everyone's built differently. And with buttons that offer 10 ways to customize your individual seating position, achieving maximum comfort and good driving posture has never been easier – or more fun.

LED headlights

Uniquely styled LED headlights with signature daytime running lights are quick to turn heads. Brighter, bolder, more daring – and more energy efficient.

Panoramic sunroof

It's a big world. Take it all in, with the available panoramic sunroof offering sweeping vistas for all. Plus, enjoy a breath of fresh air and slide or tilt the sunroof open with just the touch of a button.

Ventilated front seats

It's not just all the legroom that makes the front seats so comfortable. On hot days, this available feature can circulate air throughout the seat to help cool you down. Slide or tilt the sunroof open with just the touch of a button.

Climatronic® 3-zone AC

Too hot, too cold, or just right? Here, driver, front passenger, and folks in the back all get to choose their own temperature preferences. Even if the difference is as little as 0.5 degrees, proving individual comfort is no fairytale.

Interior ambient lighting

You'll feel like you've reached cruising altitude on a night flight, with ambient lighting that provides mellow, low-level illumination throughout the cabin.

Didn't see that coming? **Relax, it's a Teramont.**

The Teramont offers a full arsenal of safety systems, and available driver assistance features to help combat the hidden perils of driving every day, even on those off-days.

That's reassurance you can enjoy mile after mile, smile after smile.

Safety cage

Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.

Park Distance Control

The Park Distance Control feature has sensors that can help you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind and ahead of the vehicle.

Automatic post-collision braking system*

In the event of an unforeseen accident, you may not be able to react instantly, but the Teramont can. Seatbelts are automatically tightened, and emergency braking is deployed to help prevent further accidents.

* Driver assistance feature. Drivers must continue to perform manual checks and pay full attention to the road and safe driving at all times. Please review the owner's manual for feature limitations.

Discovering more of what's **out there starts right here**

You and your family want to do more.

So you need a vehicle with just that. More traction for the road less travelled. More control for those tricky situations. And more power and manoeuvrability to get where you're going confidently. Expect nothing less.
