Luxury
Without Limits

Picture a world where luxury and adventure intertwine in a symphony of automotive innovation, where even the most rugged landscapes surrender to absolute comfort. When you step into the Volkswagen Touareg, you redefine your everyday drive and leave the ordinary far behind.

The Touareg raises the standards for what it means to drive a luxury SUV. Experience the refined comfort of its meticulously crafted interior, the exhilarating performance of its turbocharged engine, the seamlessly integrated technological upgrades, and the peace of mind knowing you're surrounded by a host of advanced safety features, designed to protect you and your family above all else. Yet with all its extraordinary capabilities, the Touareg remains grounded in everyday practicality, effortlessly navigating the demands of your daily life.

The Touareg is ready for adventure, are you?

A Spectacle **of Style**

The Touareg is a study in elegance. From its assertive front grille and prominent air intakes to its sculpted profile and muscular frame, it is a harmony of strength and sophistication. Its balanced proportions radiate poise and dynamism, taking to the road with grace and athletic prowess.

Choose from a curated palette of distinctive additional new colors, woven into every fabric of the Touareg - Sechura Beige Metallic, Chili Red Metallic, Silizium Grey Matt, or Meloe Blue Crystal Metallic - each shade meticulously selected to complement the Touareg's bold design and reflect your individual style.

The Touareg fortifies its foundation with new alloy wheels engineered for both style and resilience. Their robust construction enhances handling and durability, ensuring top performance in any environment from city streets to rugged terrains.

This is an SUV that doesn't just turn heads, it sets trends. Designed for those who demand more.

Command
the Night

Assert your presence with a bold, redesigned grille, complete with a distinctive light strip across the front and rear that proudly highlights the Volkswagen Logo.

The IQ.Light HD Matrix LED headlights system intelligently adapts to your surroundings, anticipating your needs and ensuring your safety. 19,200 interactive LEDs illuminate the road ahead, while HD Matrix beams project a bright, far-reaching light that ensures exceptional visibility without dazzling oncoming traffic. Curves become clearer, shadows vanish, and the road ahead unfolds with unparalleled clarity.

The Volkswagen Touareg embraces a new dimension of driving, where innovation illuminates every journey.

Your Comfort **Zone**

Step inside the Touareg and experience an elevated level of personalisation and comfort. Sink into the expertly crafted Ergo Active leather seats, complete with optional features such as memory function, dual heating zones for driver and passenger, and soothing 10-chamber-pressure-point massage capabilities that gently knead your daily stresses away.

A customizable ambient LED lighting system transforms the cabin into a space that is uniquely yours. Choose from 30 colours, with separate controls for the upper and lower areas, to create the perfect ambience for every journey.

From a vibrant night out to the calming glow of a peaceful retreat, the Touareg adapts to your mood. Four-zone Climatronic air conditioning ensures a personalized climate for every passenger, while an inductive charging pad keeps your devices powered up without the clutter of cables.

In the Touareg, comfort is at your command, and your drive is tailored to you.

Your Passport to **Adventure**

Imagine the open road unfolding before you, every turn anticipated, every destination within reach. A sprawling 15-inch TFT touchscreen becomes your portal to exploration. Control your destination with voice commands, gestures, or touch.

Pre-installed, high-resolution maps for South Africa, along with lane-accurate navigation and the Global search function, guide you confidently on every adventure. Wireless App-Connect seamlessly integrates with your smartphone, allowing you to access your favourite apps and entertainment options with ease.

The Touareg ensures every drive will leave you feeling fresher than you were when you left.

Take the Reins **with Intuitive Technology**

The Touareg's Innovision Cockpit transforms the driving experience with a world of personalized connectivity. A sweeping expanse of curved glass unites the digital instrument cluster and the vibrant 15-inch infotainment screen, creating a panoramic digital landscape. Essential functions come to life with crisp graphics and intuitive animations, while the leather multifunction sport steering wheel puts absolute control at your fingertips.

Customise the home screen, program buttons for instant access to your favourite features, and enlarge displays for a closer look at crucial data. The head-up display further enhances your drive by projecting vital information like speed and navigation directly onto the windshield, keeping your eyes focused on the road.

The Touareg's Innovision Cockpit is where car and driver become one.

Made
for More

Warm sunlight floods the cabin, bathing the interior in a rejuvenating glow. Above you, the expansive panoramic sunroof reveals a breathtaking view of the sky, unlocking a sense of limitless possibility. Tilt or slide open the front section, or extend it fully over the rear seats, inviting your passengers to embrace the open road alongside you.

The Touareg's spacious interior adapts to your every whim. Adjustable rear seats provide personalized comfort for passengers, while the generous 810-litre boot capacity easily accommodates all your gear. A clever luggage management system, with a fixation belt and a movable bar on rails, keeps everything secure and organized.

Spacious and sophisticated, the Touareg is your passport to adventure, ensuring that every drive begins with a breath of fresh air and the freedom to explore wherever the road may lead.

Sound without **Boundaries**

Let the music move you. Equipped with the DYNAUDIO Consequence sound system, the Touareg transforms every drive into an escape. Fourteen meticulously positioned loudspeakers, powered by a 730-watt amplifier, create an immaculate 7.1 Dolby Surround Sound experience.

Four treble, two mid-range, four bass, and two rear effect speakers envelop you in a symphony of sound, while a center loudspeaker and a powerful subwoofer deliver rich, nuanced audio that fills the cabin with your favourite playlists and soundscapes.

Every drive has a soundtrack, and in the Touareg, you'll feel every note.

Effortless Access, **Unburdened Journeys**

The Keyless Access comfort package liberates you from the mundane, allowing you to focus on what truly matters: the journey ahead.

No need to fumble for your keys when approaching your Touareg, arms laden with shopping bags or the kids' sporting equipment. With Keyless Access, a simple foot movement under the rear bumper triggers the sensor, and the boot lid gracefully opens to welcome your cargo.

Access granted. Adventure awaits.

Simplify
Your Drive

The Touareg's advanced driver assistance systems are designed to simplify your drive and enhance your safety, allowing you to focus on the joy of the journey.

Adaptive Cruise Control maintains your desired speed and anticipates the road ahead, seamlessly adjusting to match speed limits and navigate curves. Front Assist, with pedestrian and cyclist monitoring, provides an extra layer of vigilance, alerting you to potential hazards and even braking automatically if needed.

A network of internal sensors creates a 360-degree awareness of your surroundings, enabling features like hands-off recognition, which gently reminds you to keep your hands on the wheel, and automatic park assistance system, which comfortably manoeuvres into even the tightest spaces. And as darkness descends, the Night Vision system illuminates the unseen, using thermal imaging to detect pedestrians and animals and projecting their images onto the Digital Cockpit Pro.

Just slide behind the wheel and let the Touareg take care of athe details.

Performance
Meets Prestige

For those who demand the ultimate expression of sporty sophistication, dive into the impressive R-Line: the pinnacle of power.

The R-Line package ignites the Touareg's athletic spirit. Command attention with striking 20-inch Leeds alloy wheels. Feel the embrace of Varenna leather seats, complete with electric adjustment and a soothing massage function for the front, while rear passengers enjoy the added luxury of heated seats.

Set the scene with the Black Style Package, exclusively for R-Line models. A glossy black front grille and matching side window trims deliver a striking contrast against the Touareg's sculpted lines. Black exterior mirror housings and tinted rear windows add an air of intrigue, while black York alloy wheels and black roof rails complete the ensemble.

Go the extra mile and discover the allure of a Touareg that's as bold and sophisticated as you are.
